Rinviato ad agosto 2022 l'ottavo Congresso EuChemS

This year, due to the COVID-19 crisis circumstances, EuChemS meetings and events will be either held online or have been postponed. You may have already been waiting for an update in this respect for a while and I am glad that we are now in the position to communicate the following important updates on the EuChemS annual meetings:

* EuChemS 50 years birthday celebration

50 years of EuChemS will be celebrated online on Friday, 3 July 2020, 10:00 – 12:00 [1 [1]]. You are all kindly invited to contact us if you wish to make a short active contribution to this celebration during the online anniversary event. Technical details will be provided later on.

* EuChemS 2020 General Assembly

The 2020 EuChemS General Assembly will take place online on Thursday, 24 September 2020, 10:00 – 13:00 [2 [2]]. Official invitation with draft agenda and other relevant information will be provided later.

* 8th European Chemistry Congress (ECC8)

ECC8 has been postponed to 2022. Please check the details here [3 [3]].
