Y-RICh Workshop 2020

The SCI Giovani Board has organized the **Y-RICh - Young Research Ideas in Chemistry 2020** virtual workshop on **June 9th from 10.30 AM to 1 PM** on *Zoom* [1]and broadcasted live on our [2]*Facebook* [2] page [2].

The event will be dedicated to the **National Academic Qualification** (*Abilitazione Scientifica Nazionale*), with evaluating panel members and qualified candidates from the 2018-2020 calls. After individual contributions, a round table will compare the experiences of the panelists and candidates in different chemical disciplines. Lastly, a special session will be devoted to the *Reaxys-SCI* Award [3], in which the *Elsevier* staff and the SCI Giovani Board will talk about the prize and will address any curiosity by participants.
