The **XXVIII EFMC International Symposium on Medicinal Chemistry** is organised by the **Division of Medicinal Chemistry of the Società Chimica Italiana (Italian Chemical Society)**, on behalf of the **European Federation for Medicinal chemistry and Chemical biology** (EFMC).

The symposium will take place in **Rome, Italy** from **September 1-5, 2024**.

The EFMC is the main organisation for the European Medicinal Chemistry and Chemical Biology community, with 30 member societies and about 9.000 members. Its biennial EFMC-ISMC is a key symposium in the field of medicinal chemistry and drug discovery and it traditionally attracts around 1.000 participants both from industry and academia. The most recent EFMC-ISMC meeting took place in France (Nice, 2022).

Further information on the symposium will be available in the upcoming months.
